Report on Awareness on Organic Farming

Awareness on Organic Farming was organized by NSS unit on 19th January 2017 in PKPS Building, Karoshi during the special camp held at the village. Prof. R. R. Naik, Assistant Professor of Botany was the chief guest for the program. 50 NSS volunteers have participated in the program.

Objectives:

- To create awareness among the farmers about organic farming.
- To discuss pros and cons of organic farming.
- To educate farmers about process and methods applied to improve fertility of soil.
- To clarify the doubts of farmers regarding organic farming.

Organic farming yields such vital benefits as preservation of soil's organic composition. Organic farmers utilize practices that: Maintain and improve fertility, soil structure and biodiversity, and reduce erosion. Reduce the risks of human, animal, and environmental exposure to toxic materials. By understanding the importance of Organic farming, to educate the farmers of Karoshi village NSS cell has organized this awareness program. The program started with the prayer song and welcome address by NSS volunteers – Siddapa Manjare and Rahul Patil. Prof. R. R. Naik, resource person, he spoke about the importance and benefits of organic farming. He interacted with farmers and suggested some techniques to be adopted in during farming to improve the yield and retain the fertility of soil. Farmers who have gathered were benefited by the program and they expressed their gratitude towards resource person. The program was concluded by vote of thanks by Mahesh Shinde.

Outcomes: 50 students and around 123 villagers have got benefited from the programme by understanding about organic farming.

Shri. Shivaji Nimbalkar, Yoga Teacher has invited as chief guest for the programme. He explained the importance and usefulness of performing Yoga. It also helps in increasing flexibility, muscle strength and body tone. It improves respiration, energy and vitality. Yoga asanas build strength, flexibility and confidence, he added. He made a demonstration of various asanas like Bhujasan, Dhanurasana, Siddhasana and more to the participants. Dr. M. T. Kurani, Principal presided over the programme. In his presidential remarks he said Yoga is not just about bending or twisting the body and holding the breath. It is a technique to bring you into a state where you see and experience reality simply the way it is. If you enable your energies to become exuberant and ecstatic, your sensory body expands. This enables you to experience the whole universe as a part of yourself, making everything one; this is the union that yoga creates. All teaching and non-teaching staff, students got benefitted from this program. Program concluded by vote of thank by Dr. B, G. Kulkarni.

Outcomes: 195 students have got benefited from the programme by understanding and practicing the Yoga.

Report on Swachh Bharat Abhiyana in Chikodi – Cleaning Activity

Swachh Bharat Abhiyana in Chikodi – Cleaning Activity was organised by NSS unit in association with Municipality Corporation, Chikodi on 2nd October 2018 at 9.00 am onwards in the Chikodi. Total 85 people including students have participated in the activity.

Objectives:

- To contribute in swachh bharat abhiyan activity & undertake cleanliness drive.
- To keep the city clean.
- To raise the awareness about cleanliness.
- To eliminate open defecation and improve waste management.

One step towards cleanliness. Swachh Bharat Mission (SBM) is a country-wide campaign initiated by the Government of India in 2014 to eliminate open defecation and improve solid waste management. To contribute in the Swachh Bharath Mission, NSS and NCC units of the college in association with Municipality of Chikodi have organized the Cleaning drive and Rally. Shri Mahantesh Kavatagimath, MLC has initiated the program by performing pooja to the Mahatma Gandhiji's photo.

Shri Mahantesh Kavatagimath said it is everybody's responsibility and one should keep themselves and their surroundings clean and hygienic. It also brings good and positive thoughts in the mind which slows down the occurrence of diseases.

Students have organized rally to promote swachh bharat mission. Mass awareness created with various slogan: "ham sb ka aek nara- saaf sutra des hamara, sathi re hath batana-gandki ko he dur bhagana, apni mitti apna des- swachh bharat swasth bharat...etc. Shramdan activities also been carried out at bus stand, market and shivaji circle of Chikodi city. Students have encouraged community people to join in swachhta activity. They have participated in shramdan activity and shown their willingness and interest to keep surrounding clean. Principal Dr. M. T. Kurani, staff members and students were present in the program.

Outcomes: 85 students have contributed their service towards swachh bharat abhiyana and the awareness has been created among the public about abhiyana.

Report on Inspiring Youths for Social Work

"Encouraging the Youths for social work" - with this object NSS unit was organized the program Inspiring Youths for Social Work on 20th January 2019 during special camp held at Muali. Dr. S. B. Ukali, the Principal of CLE College Chikodi was the chief guest of the program. 50 NSS volunteers have been attended the program.

Objectives:

- To empower the youth with the knowledge of their rights and duties.
- Community education and empowerment.
- Exposing students to social justice work, strengthening community solidarity and supporting grassroots advocacy.

The program begun with invocation song by the NSS volunteers followed by welcome address by Shri A. K. Patil. In his speech Dr. S. B. Ukali he said when we hear the term Youth, the first thing that comes in our mind, is the energetic group of society who always wants positive change in their own family, community, society, state and overall development of country. They are the change agent of society, who has capacity to change the society. Youth are the backbone of the country. But why India is still lagging behind and is still a developing country? The reason behind this is that there are so many social, economic and political barriers which prevent youth to participate in the development. The youth must be guided properly by their parents, teachers, and relatives which encourages the youth for social work. The responsibilities of the youth towards society and the nation should be the top priority of the entire young India, he said. The program was concluded by Raju Pujari with vote of thanks.

Outcomes: 50 NSS volunteers have got benefitted from the program by understanding their responsibilities towards the society and the nation.

DEPARTMENT OF POLITICAL SCIENCE

Extension activity on *Electoral Awareness Program* conducted by Department of Political Science on 15th September, 2019 from 9.30 am to 12.30pm at Budhnagar, Chikodi-591201. More than 200 people are actively participated and 25 students are participated as volunteers.

Objectives:

- To encourage electoral 'particularly women voters' to take part in electoral process
- To strengthen the roots of Democracy

Summary of the Proceeding: Department of Political Science held an Electoral Awareness Jata on 15th September 2019. Speaking on the occasion Dr. B. G. Kulkarni said "The right to vote is a very precious right in democratic setup. It is this right which enables the people to have the government of their own choice. Without such a right, the people are bound to be helpless and democracy losses all its meaning. Moreover, the right vote give us a sense of citizenship, empowerment, pride and participation. Awareness jata taken out from College campus to Budha Nagar, Chikodi. Students, NSS Volunteers and staff members participated in the awareness programme. The programme was conducted under the leadership of College Ambassadors Shivanand Sangatti B. Sc III Year and Jyoti Kanade of B. Com III Year, Shri R. R. Naik, NSS Programme Officer A. K. Patil, Shri Mallikarjun Jarali were also present.

Department of commerce

Report on Extension activity: Arivu - Consumer Awareness Program

Department of commerce has organized extension activity on consumer awareness programme in Market and Kumbargalli at Kerur, Chikodi Taluka of kerur village on 16.10.2019. Total 21 students and 8 faculty members were actively participated.

Objectives the extension activity

- To enhance consumer education among villagers.
- To inform the villagers about various unfair trade practices of traders.
- To create awareness about consumer rights.
- To promote and protect an economic interest of consumers

There are various unethical practices practicing by traders by which consumers are suffering and incurring losses. Due to lack of awareness about consumer rights and laws among consumers especially in rural areas, consumers are facing problems before, during and after purchase of products. To create awareness through Street Play among consumers, Department of Commerce - eight faculties and 21 students visited market area and Kumbargalli of Kerur village on 16th October, 2019. Students have made an announcement of performing street play and called the surrounded people. After gathering of people, students started to perform the street play on consumer awareness in which 3 activities were done by students by providing information about unethical practices of traders, consumer rights and consumer laws. Two Street plays were performed in two different places. The street play was concluded with a speech by Smt. S. M. Mirje about protection of consumers from unethical practices by traders

Outcomes of the program

In this activity we were created awareness among residents about fraud and unethical trade practices and they have got clear idea about their rights to face unethical trade practices, in day to activities, more than 140 villagers have benefited in this activity.

Title of the Programme: *Hands-on training in Physics for SSLC Students Government High School, Basanalagaddi*

Organized By: Department of Physics

Date: 17th January 2020

No of Students Participated: 36

Objectives:

- Basic principles through experiments
- Gain sound practical knowledge
- Enable the students to understand the mode of working of basic physics experiments with theoretical background
- Learn and explore the fundamentals of physics concepts.

Summary:

Head of the department, Shri. R M Patil welcomed the students and presented the theme of Hands-on training in physics. The chairperson of this training is Shri. U R Rajput, Principal of the college told that it was a rare opportunity for SSLC students to learn physics theory with experiments. The main aim of this training is to make students understand the fundamentals of physics. This Hands on training included six basic physics experiments and each experiment was explained by our department members as follows; 1. Verification of Ohm's law-Shri.R M Patil, 2. Combination of resistance in series and parallel-Shri. R A Nimbalakar, 3. Solar cell-Dr. Raghu S, 4. Dispersion of light spectrometer-Shri. B N Havaraddi, 5. Lens experiments- Miss. V M Sangali, 6. Spectrometer construction and working-Dr. S Matteppanavar and Shri. R A Nimbalakar proposed vote of thanks. Mr Karan Jadhav, Mr Mallikarjun, Miss Akshata Mali and Miss Aishwarya Vantmutte were acted as student volunteers.

Outcomes:

Students were over loaded of complete knowledge about the experiments, basic electronic components and instruments. Even faculty members also shown great interest to understand the basic electronic components and instruments. Totally it was very useful to high school students to compare theoretical and practical knowledge.

DEPARTMENT OF CHEMISTRY: EXTENSION ACTIVITY

DETAILED REPORT

Outreach Program on “Hands on training in Chemistry for High School Students” in Chemistry Department was held on 17-01-2020, total 25 Students of 10th Standard Government High School, Basavanal Gadde Tq:Chikodi, 02 students of our college had taken part in this program.

“Hands on training in Chemistry for High School Students”

Objectives:

- To develop and inculcate laboratory skills and techniques in Chemistry.
- To enable the student to understand the basic chemical concepts in Chemistry.
- To develop scientific temper in the young youth.

Summary: The extension activity for high school students commenced with Welcome speech by HOD Prof. S. B. Vanjire. Dr. S. M. Patil Carried out various chemistry experiments from 10th standard curriculum. Students have learned the behavior non-metals like Iodine & Bromine with hydrochloric acid & aqueous media. And also understand the techniques to identify and differentiate acids and bases by litmus paper. Miss. P. B. Dubale demonstrated distillation plant and students actually observed the process of distillation & distillate collected in the receiver. Shri. S. S. Lathe kept many salts like FAS, FeCl₃, K₂Cr₂O₇.etc organic compounds like Benzene, Toluene, Aniline, Acetone..etc for their observation which they studied in the curriculum. Finally activity is concluded with vote of thanks by Prof. Raju.

Outcome: Experiential learning through performing the experiments

DETAILED REPORT

Outreach Program on “Hands on training in Chemistry for High School Students” in Chemistry Department was held on 17-01-2020, total 36 Students of 9th Standard Government High School, Basavanal Gadde Tq:Chikodi, 02 students of our college had took part in this program.

Objectives:

- To develop and inculcate laboratory skills and techniques in Chemistry.
- To enable the student to understand the basic chemical concepts in Chemistry.
- To develop scientific temper in the young youth.

Summary; The extension activity for high school students commenced with Welcome speech by HOD Prof. S. B. Vanjire. Dr. S. M. Patil carried out the experiments to understand the behavior of metals like Aluminum & Copper with water hydrochloric acid. And also performed experiments to understand the behavior non metals like Bromine & Silicon with hydrochloric acid & aqueous media. Prof. S S. Latthe explained the techniques to identify and differentiate acids and bases by litmus paper. Prof. P. B. Dubale Setup a distillation plant and students observed the process of distillation & distillate collected in the receiver. Finally activity is concluded with vote of thanks by Prof.Raju.

**One day workshop on "health awareness program"
Youth Red Cross Wing**

Place Sabha bhavan, Resource Person Shri Ashok Badami ,Chairman Red Cross Society, No of Beneficiaries 200, to create awareness Blood Donation
To create awareness Youth should also take care of their own health.

Objectives:

The Youth red Cross unit of KLE Society's Basavaprabhu Kore College of Arts, Science and Commerce College had organized one day work shop. on 22.01.2020
There are no blood manufacturing units in the world; youths are the manufacturing units. So donate blood whenever required. Youth should also take care of their own health and that of others and foster better friendly relationship with all without any discrimination, said Shri Ashok Badami, Chairman Red Cross Society, Belagavi.

He was speaking as chief guest at a function organized by youth Red Cross Unit of KLE society's Basavaprabhu ~~Kore~~ Arts science and commerce college chikodi. "Red Cross society is the biggest, independent voluntary relief organization, treating people equally all over the world without any consideration of Caste, Race, Religion, Language, Creed and Nationality" he said.

On this occasion Dr.Spoorti Masti Holli spoke on various problems that arise during menstrual Cycle. She advised the students to maintaining hygiene during this period. Many woman lectures participated in the programme ungraduated Dr. Spoorti for her informative speech.

Principal Prof.U.R.Rajput who presided over the function said "youth should abstain from modern food habits and create awareness among the rural people about the health issues."

The programme began with invocation song by Sakshi and others. Dr,Sidhu welcomed the gathering. DrH.E.Basavarajappa introduced the guests and Prof.A.K.Patil proposed vote of thanks. SnehaGawade and shridevi compeered the programme. Dr.B.G.Kulkarni, Dr.SunilPatil, Prof. S.M Bulbuli, Prof.SiddannaNaik and the students were present at the event.

Report on Voters' Awareness Program

Voters' Awareness Program was organized by NSS unit on 29th January 2020 in Jainapur during the special camp. Dr. B. G. Kulkarni, Asst. Prof. of Political Science was the chief guest for the program. 50 NSS volunteers have participated in the program.

Objectives:

- To educate students about voting.
- To make the youth to understand their responsibilities in democracy.
- To encourage the students to participate in the voting process.

Under the special NSS camp held at Jainapur, the voters' awareness program was organized. Dr. B. G. Kulkarni was the chief guest. During addressing to the students he motivated students to cast vote and fulfill the role in the democracy. He also added that, in democracy, it is not simply enough to inform voters about election dates. In order to help the electorates take an informed decision, it is quintessential to sensitize them about the importance of participating in the electoral process. Moreover, voters need to be educated about the process and made aware of the political parties, their manifestos, backgrounds of the contesting candidates and armed with several other information to help them cast an 'enlightened' vote. He said you should vote to make your voice heard. Your chance to vote gives you the power to choose the most suitable representative who can run the constituency, State and Country. He urged and called all youth of the age above 18 years must enroll their names in the voters list. Shri Iragouda Kelaginmani, GP member presided the programme. Jyoti Kanae, NSS volunteer, gave vote of thanks.

Outcomes: Awareness about importance of voting and voting power in the democratic system has been created among 50 students.

Report on Awareness on Organic Farming

Awareness on Organic Farming was organized by NSS unit on 29th January 2020 in Samudhay Bhavan of Jainapur during the special camp held at the village. Prof. R. R. Naik, Assistant Professor of Botany was the chief guest for the program. 50 NSS volunteers have participated in the program.

Objectives:

- To create awareness among the farmers about organic farming.
- To discuss pros and cons of organic farming.
- To educate farmers about process and methods applied to improve fertility of soil.
- To clarify the doubts of farmers regarding organic farming.

Organic farming yields such vital benefits as preservation of soil's organic composition. Organic farmers utilize practices that: Maintain and improve fertility, soil structure and biodiversity, and reduce erosion. Reduce the risks of human, animal, and environmental exposure to toxic materials. By understanding the importance of Organic farming, to educate the farmers of Karoshi village NSS cell has organized this awareness program. The program started with the prayer song and welcome address by NSS volunteers – Shivanand Sangati and Jyoti Kanade. Prof. R. R. Naik, resource person, he spoke about the importance and benefits of organic farming. He interacted with farmers and suggested some techniques to be adopted in during farming to improve the yield and retain the fertility of soil. Farmers who have gathered were benefited by the program and they expressed their gratitude towards resource person. The program was concluded by vote of thanks by Akshata Shanawad.

Outcomes: 50 students and around 146 villagers have got benefited from the programme by understanding about organic farming.

Department of Physics Extension Activity 2019-20
Detail Report

Title of the Programme: Adverse Effects of Plastic on Human Health and
Agricultural Soil

Organized By: Department of Physics

Date: 31st, January 2020

No of Students Participated: 75

Objectives:

- To create awareness on why we avoid plastic.
- To understand the chemical in the non-degradable plastics and its hazards.
- To know the negative impact of plastic on agricultural lands.
- To create awareness on precautionary measures to avoid use of the plastic.

Summary:

Dr. S. R. Matteppanavar welcomed the gathering and presented the theme of awareness program. He told that use of plastic is very dangerous for human as well as animal life and informed them to avoid the use of plastics. Many chemicals used to make plastics, including packaging plastics, are highly hazardous and therefore of significant concern for occupational health also mentioned.

In Jainapur village, Physics department staff and college B.Sc students are arranged awareness rally on "No Use of Plastic and its advantages" by showing the different types of banners and posters. The rally ended with vote of thanks.

Outcomes:

Students and participants (from Jainapur) gained knowledge regarding plastic impact on human health and nature. Farmers of Jainapur understood the plastic adverse effect on agriculture.

NSS UNIT

Report on Swachh Bharat Abhiyana at Hanuman Temple, Torannahalli

Swachh Bharat Abhiyana was organized by NSS unit at Hanuman Temple, Torannahalli during the special camp held at Jainapur on 1st February 2020 from 9.00 am to 12.00 pm. 48 NSS volunteers have cleaned the Hanuman temple and the surrounding area.

Objectives:

- To contribute in swachh bharat abhiyan activity & undertake cleanliness drive
- To raise the awareness about cleanliness.

One step towards cleanliness. Swachh Bharat Mission (SBM) is a country-wide campaign initiated by the Government of India in 2014 to eliminate open defecation and improve solid waste management. To contribute in the Swachh Bharath Mission, NSS volunteers at Special Camp in Jainapur have participated in the cleaning drive in Hanuman Temple at Torannahalli village. Volunteers have actively participated in the cleaning activity from 09.00 am to 12 noon and they have created awareness about cleanliness among street vendors and villagers. Volunteers also have encouraged community people to join in swachhta activity.

Outcomes: NSS volunteers have created the awareness about cleanliness among the vendors and devotees in Temple and have cleaned the temple area.

Department of Physics Extension Activity 2019-20

Detail Report

Title of the Programme: Importance of Solar Energy and its Applications

Organized By: Department of Physics

Date: 1st February 2020

No of Students Participated: 75

Objectives:

- To create awareness on conventional solar energy
- To understand the availability of natural sources and its importance
- To know importance's of solar energy and its applications in daily usage
- To know advantages of non-conventional energy sources over the other energy source.

Summary:

Dr. Raghu S welcomed the gathering and presented the theme of awareness program. He gave information about the importance and advantages of solar energy in day to day life. He also mentioned that the solar energy is constantly supplied by nature and it is inexhaustible and pollution free, i.e. nil impact on the environment also cost effective over other energy sources.

In Jainapur village, physics department staff and B Sc students have arranged awareness rally on "Importance of Solar Energy and its Applications" by showing the different types of banners and posters. The rally ended with vote of thanks.

Outcomes:

Students and participants (from Jainapur) gained knowledge and use of solar energy. Also thought using Solar energy how one can improve the family economic status. Solar energy is green energy.

3/26 COY NCC BK College Chikodi

Title of the Programme : International Yoga Day

Organized by : Department of NCC

Date : 20 – 06 – 2020 to 26 – 06- 2020

Place : Via Online, Respective Cadets at their Home

No of Students : 52

Objectives :

- ✓ Practiced in India since the 5th century, Yoga has been beneficial in keeping the body and mind in sound health.
- ✓ A holistic approach, Yoga targets all the different systems of the body and mind.
- ✓ The asanas make the body strong and flexible, as health improves; the mind too is renewed with confidence.
- ✓ The practice of Pranayama regulates the purification of the internal system and the organs, acting as a superior and able supplement to asanas.
- ✓ The energy that is generated in the body through these physical practices is then channeled into meditation or *Dhyan* for stability, peace and calm.

Summary :

Yoga plays a significant role during the world crisis of Covid-19 as yoga boosts our immunity and is known to cure respiratory disorders. Pranayama or breathing exercises increase our oxygen intake by up to five times. Through this rich oxygenation of blood to the brain, heart, lungs, and digestive systems; our organs functioning is vastly improved thus also improving our overall health. As a healing and other alternative form of therapy, yoga helps to relieve stress and keeps the mind calm. Few 3/26 Coy NCC Cadets SW 19, SD 33 and ANO were participated in Yoga at their home 21- 06- 2020. Few selected photos were attached.

Detailed Report

Title of the Programme: Vermicompost (Reduce, Reuse, Recycle With The Help Of Worms)
KLE'S Basavaprabhu Kore Arts, Science And Commerce College Chikodi on 3 January 2021
Lecturer – Ajit Karigar **and Four Lead Students From BA III Sem –** Malappa Khagannavar, Siddappa Kattikar, Shivaraj Danger and Lakkan Harake Participated in the activity.

Objectives:

- Produce organic manure of exceptional quality for the organically starved soil.
- Vermicomposting is a type of composting in which certain species of earthworms are used to enhance the process of organic waste conversion and produce a better end-product.
- It is a mesophilic process utilizing microorganisms and earth worms. By vermicomposting these wastes, they are not only utilized efficiently but also help in making a value-added product.

Summary: The Students Participants of Lead, Malappa Khagannavar and other three students have done the lead project on vermicompost where in the lead participants collected local materials like thatched grass, dry leaves, twigs, etc. and dumped into the tank which was built for the same purpose. The bedding for the earthworms was comprised of saw dust, sand, broken pieces of bricks and soil. The worms were first released into the bedding followed by the feed material. Finally the vermicompost tank was painted by the lead participants.

Outcomes: In the college most of the students are from farming background and they got the idea about the vermicomposting and its uses.

DEPARTMENT OF CHEMISTRY: EXTENSION ACTIVITY

DETAILED REPORT

Awareness Program on “Food Adulteration” has been organized by the Department of Chemistry on 21 /03 /2021, 40 members of the village took the benefit of the activity and 05 students were participated in this event .

Awareness Program on “Food Adulteration”

Objectives: To bring awareness about the harmful effects of food adulterations to rural people and also to demonstrate the simple techniques to identify adulteration.

Summary: Food adulteration in the country has assumed alarming proportions. The main reasons for this are our farmers are not trained properly in the use of chemical fertilizers. Harmful effects of food adulteration and diseases caused by chemicals added to bring attractiveness to the food items. Effective national food control systems are essential to protect the health and safety of domestic consumers. It is followed by demonstration and identification of food adulteration by Dr. S.M. Patil and Shri.S.S.Latthe. Adulterated and unadulterated samples were taken and shown how the sample leave color upon adding water. Also demonstrated simple techniques to identify the adulterated food. People were actively participated.

Outcomes: By means of this extension activity

- The students and the rural people were able to know the impact of food adulteration on their health.
- They were also able to know awareness of different types of the food adulteration.

Title of the Programme : International Yoga Day

Organized by : Department of NCC

Date : 18 June to 21 June 2021

Place : Via Online, Respective Cadets at their Home

No of Students : 62

Objectives :

- ✓ Practiced in India since the 5th century, Yoga has been beneficial in keeping the body and mind in sound health.
- ✓ A holistic approach, Yoga targets all the different systems of the body and mind.
- ✓ The asanas make the body strong and flexible, as health improves; the mind too is renewed with confidence.
- ✓ The practice of Pranayama regulates the purification of the internal system and the organs, acting as a superior and able supplement to asanas.

Summary:

Yoga plays a significant role during the world crisis of Covid-19 as yoga boosts our immunity and is known to cure respiratory disorders. Pranayama or breathing exercises increase our oxygen intake by up to five times. Through this rich oxygenation of blood to the brain, heart, lungs, and digestive systems; our organs functioning is vastly improved thus also improving our overall health. As a healing and other alternative form of therapy, yoga helps to relieve stress and keeps the mind calm. 3/26 COY NCC BK College Chikodi

Title of the Programme : Yoga Quiz

Organized by : Department of NCC

Date : 20 June 2021 Time 12 pm to 2:00pm

Place : Via Online, Respective Cadets at their Home

No of Students : 24

Objectives : A holistic approach, Yoga targets all the different systems of the body and mind.

- ✓ The asanas make the body strong and flexible, as health improves; the mind too is renewed with confidence.
- ✓ The practice of Pranayama regulates the purification of the internal system and the organs, acting as a superior and able supplement to asanas.
- ✓ The energy that is generated in the body through these physical practices is then channeled into meditation or *Dhyan* for stability, peace and calm.

Summary : Yoga plays a significant role during the world crisis of Covid-19 as yoga boosts our immunity and is known to cure respiratory disorders. Pranayama or breathing exercises increase our oxygen intake by up to five times. Through this rich oxygenation of blood to the brain, heart, lungs, and digestive systems; our organs functioning is vastly improved thus also improving our overall health. As a healing and other alternative form of therapy, yoga helps to relieve stress and keeps the mind calm. Yoga Quiz Competition was organized from 20th June for SD and SW Cadets. 3/26 Coy NCC Cadets SW 11, SD 11 and ANO were participated in Yoga at their home

Yoga Quiz Winners:

- 1) I st Place Bravo Tem
- 2) II nd Place Alpha and Charli Tem

Women Empowerment Cell 2020 -21

Detailed Report

An Awareness Program on "Self Defense Mechanism". Was organized by Women Empowerment Cell on 02.09.2021. Total 70 Girl students participated in the program.

Objectives

1. To increase the confidence among girl students.
2. To acquaint them about our law and support from police department.
3. To prepare them to follow self defense mechanism.
4. To bring awareness about to protect oneself and others

Summary

Smt. Renuka S Madar (Head Constable) and Miss Jayashree Landage (Lady Constable) of Chikodi Police Station addressed and presented demo on self defense skills. Some of our girls also involved with them to have practical self defense skill and questions were also asked by the students and resource persons cleared their doubts. In many cases the identity of the girls and womens is not revealed to make them feel safe, so feel free to share your problems with the police department without any hesitation, suggested the resource person. It was a very enlightening activity for the girl students.

Outcome

The Girl students gained the confidence to protect themselves.

NSS UNIT

Report on Swachh Bharat Abhiyana – No Use of Plastic Campaign

No Use of Plastic Campaign was organized by NSS unit on 31st October 2021 at 9.00 am in the college. Dr. Siddaling Matteppannavar was the speaker for the program. 80 NSS volunteers have participated in the campaign and cleaning activity.

Objectives:

- To contribute in swachh bharat abhiyan activity and undertake cleanliness drive
- To create awareness among students about no use of plastic.
- To encourage students to promote the mission.

With the above mentioned NSS unit has organized NO USE OF PLASTIC Campaign at college. Prof. Siddaling Matteppannavar, Assistant Professor of Physics, had created awareness among the students regarding no use of plastic by explaining the adverse impact on environment from the use of plastic. Plastic bags have become an integral part and a natural choice of everyone's life due to its multipurpose usage. However, its convenience comes with significant drawbacks, and one of its biggest drawbacks is its pollution is creating havoc on the planet globally, he said. Plastic bags are non-biodegradable and have become a massive threat to our ecosystem. Plastic bags take hundreds of years to decompose and have started affecting the biodiversity of our planet. The easy convenience of plastic bags is now harming and causing unnatural deaths among wild animals and aquatic species, he added. He encouraged all students to create this awareness among public and encourage them to no use of plastic. Shri. N. B. Patil, NSS program Officer, proposed vote of thanks. All the volunteers were carried out the cleaning activity in the college premises.

Outcomes: Awareness of no use of plastic have been created among the students and encouraged all the attendees to avoid using plastics. The volunteers have cleaned the campus.
