ACTION PLAN (2019 – 20) : Zoology Department

PREAMBLE: Students have to enjoy the learning experiences and reach their full potential. This means (i) providing information beyond curricula (ii) prediction of future skills requirements and (iii) understanding the significance of Information Communication Technology (ICT) in an innovative way. Some of these issues are necessary for the students to gear up for the challenges and opportunities which they may face soon after graduation. *With this backdrop*, Zoology department wish to organize the following programmes with the financial support from the college / KLE Society.

- (1) Talent Level Assessment Test for BSc first semester students
- (2) Continuation of **SHORT TERM COURSE** entitled “ENVIRONMENT: Issues, environmental impact assessment, green practices, rainwater harvesting and waste management”: for the benefit of fifth semester students. Self financed programme with fees collection from interested students
- (3) Organizing one state level students seminar with the funding from the college / KLE Society (Approximately Rs. 20,000)
- (4) Organizing one extension activity in the neighbouring school with the funding from the college / KLE Society (Approximately Rs. 1500)
- (5) Continuation of ‘in-house’ seminar by students (for all students)
- (6) Organizing study tours for (experiential learning by students)
- (7) Felicitating the achievers of the department with cash prize of Rs. 500 to each topper
- (8) Organizing one ‘Guest lecture programme’ with financial support from the college / KLE Society (Approximately Rs. 6,000)
